**Valley Village Park
(Hesby and Westpark)**

9AM to NOON

A **“Certified Shredding Truck”** will be on site to **Destroy All Unwanted Material**.
It's a **Free Service** and our way of celebrating **EARTH DAY**, which is really every day.
While you're at it, bring **Old Batteries** you've been collecting and your assortment of
Used Light Bulbs...we'll take those too.

You don't have to live in Valley Village to take advantage of this
opportunity, so spread the word.
