

# COMMUNITY ROUNDTABLE

## 100% Renewable Energy for Los Angeles by 2030

*How can we achieve it, can we afford it and who will benefit?*

Join Food & Water Watch for a Community Roundtable discussion on Los Angeles' 100% renewable energy plans. Find out which clean energy solutions will best help generate good green jobs, lower bills, clean air and create a safe, livable climate.

**As Los Angeles finalizes a study on how to get to 100% renewable energy, Angelenos demand transparency so that the public — not fossil fuel corporations and utilities — reap the benefits.**

**Saturday, July 6th, 10am-12pm**

**Valley Plaza Branch Library**

**12311 Vanowen St, North Hollywood, CA 91605**

**Panelists include:**

**Jasmin Vargas, Senior Organizer for Food & Water Watch  
More to be announced!**

*To RSVP, please contact [wfoley@fwwatch.org](mailto:wfoley@fwwatch.org)*

**Bring your LADWP bill to sign up for clean energy programs  
that will save you money!**
