

Installation of Electric Bus Charging Stations at Orange Line North Hollywood Station

Orange Line Bus Terminal temporary closure/re-location of pick-up/drop-off locations: 7/29 – 10/31
Metro West area parking lot temporary closure: 7/22 – 10/31

SUMMARY

Metro is converting its entire fleet of buses to zero emission buses. This transition to electric buses will provide a cleaner, quieter fleet and significantly lower environmental impacts. The first phase will launch with the Orange Line battery electric zero emission buses.

Metro will be installing new bus charging stations at the Orange Line North Hollywood west parking lot starting Monday, July 22, through October 31, 2019. The parking lot will be temporarily closed during this time.

Due to this construction activity, the Orange Line North Hollywood Bus Terminal will be temporarily closed beginning Monday, June 29, through October 31, 2019. Therefore, the pick-up and drop-off locations will be temporarily re-located, please see map on reverse side for details.

NOTEWORTHY

Please Plan Ahead: Metro encourages passengers to allow extra time to complete their trips.

The Metro Red Line will operate on a normal schedule.
